NEW  
**ALMERA**  
FACELIFT

# MOVE UP IN STYLE WITH EVERY DRIVE

Fulfilling your dreams is something you aspire to do. Now, see them achieved. The New Almera Facelift is designed to make a statement and reward your desires in every way. With elegant lines and premium touches, every journey is a reflection of your determined ambition to advance and elevate your life.

**The New Almera Facelift.**

Actual car specifications may vary from model shown.

# EXPERIENCE ELEGANCE REDEFINED WITH EVERY DETAIL

First impressions are important, so make the best one possible with the grace and class of the New Almera Facelift.

*Actual car specifications may vary from model shown.*

Multi Reflector Headlamps with Stylish Black Outline

Signature Three-Dimensional Front Grille with Chrome Bumper Outline

Y-Spoke 15" Alloy Wheels

Wing Mirror Signal Lights

Chrome Highlighted Fog Lamps

## HR15DE engine with CVTC

This engine is all aluminium for lightweight and quiet operation. Advanced technology raises intake and exhaust efficiency to assure ample low and mid-range torque. Whether travelling in town or cruising on the highway, you'll appreciate its impressive acceleration and outstanding fuel economy of 14.9 km/L.

Max Power 102ps / 6,000rpm  
Max Torque 139Nm / 4,000rpm

## Superior Suspension

The reason for a smooth supple ride on Almera. Well-tuned coil springs and shock absorbers suppress road roughness and promote stability when you're cornering.

## Aerodynamic Performance

Streamlined aerodynamics complemented by a smooth edge front bumper and clearly cut rear edge contribute to a best-in-class low drag coefficient (cd) of 0.31. This means better fuel efficiency and a quieter cabin.

# DISCOVER THE INNOVATION OF ELEGANCE

A world of advanced technology resides within your grasp, giving you access to all that you need, and so much more. Your experience will be centered around a redesigned Premium Piano Black Centre Console, that creates a modern and elegant feel accentuated by its silver trim.

*Actual car specifications may vary from model shown.*

**Fine Vision Meter with Multi-Information Display**  
Shows essential vehicle data instantly

**6.5" Internet Connectivity**  
Multimedia Navigation, Virtual Acoustic Positioning System (VAPS), Rear View Camera, iPod Connectivity, USB and Bluetooth

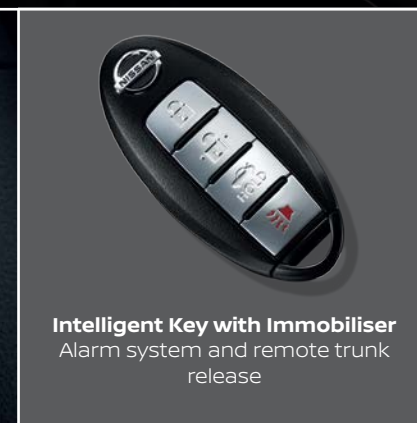

**Silver-Trimmed Steering Wheel with Integrated Audio Controls**  
Conveniently-placed audio controls keep movement to a minimum

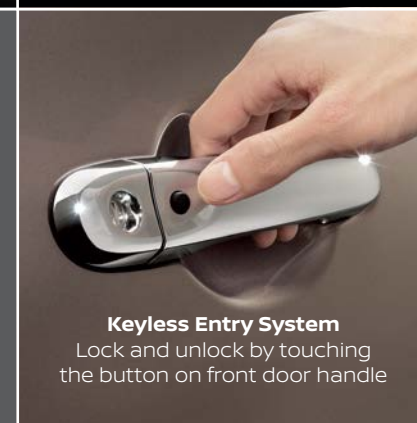

**Automatic Climate Control**  
Keeps the interior at your desired temperature

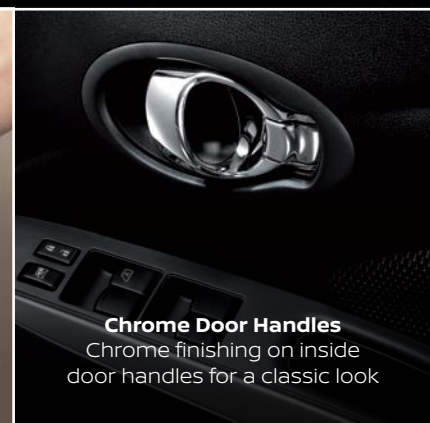

**Push Start Ignition**  
Enables simple engine start-up

**Intelligent Key with Immobiliser**  
Alarm system and remote trunk release

**Keyless Entry System**  
Lock and unlock by touching the button on front door handle

**Chrome Door Handles**  
Chrome finishing on inside door handles for a classic look

**Class-Leading Comfort**  
Newly designed high quality fabric seat  
with spacious legroom stretching to 636mm

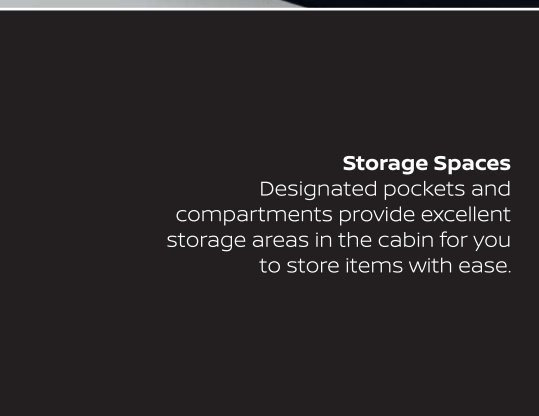

**Huge Trunk Space**  
Up to 490 litres with easy access

## INDULGE IN COMFORTABLE SPACIOUSNESS

Stretch out and relax in a cabin made to  
turn every journey into a pampering  
experience.

*Actual car specifications may vary from model shown.*

**Storage Spaces**  
Designated pockets and  
compartments provide excellent  
storage areas in the cabin for you  
to store items with ease.

# LIFT YOUR SPIRITS

Let sporty enhancements put a smile on your face, every time you get into a New Almera Facelift tuned by NISMO.

*Actual car specifications may vary from model shown.*

# STUNNINGLY SPORTY

Draw envious stares and set your pulse racing with a complete NISMO Aerokit and NISMO Performance Parts that truly make you stand apart from the crowd.

*Actual car specifications may vary from model shown.*

## LOOKS TO EXCITE

NISMO Side Skirts and NISMO Front Bumper Spoiler with Aero Fins

NISMO Trunk Lid Spoiler and NISMO Rear Bumper Spoiler

## MAKE AN IMPRESSION

**NISMO Performance Suspension System**  
Sports-tuned coil springs and shock absorbers for flat cornering and a stable ride

**NISMO 16" Alloy Wheels**

**NISMO Sports Muffler**  
For sharper engine response and a sportier exhaust note

**Continental Max Contact MC5**  
Tyres-205/50R16

## DRIVE AHEAD IN STYLE

Be amongst the first in the world to own the New Almera Facelift tuned by NISMO and gain access to levels of style and sportiness that others can only dream about. With its exciting looks and sporty touches, this is an every day drive with not just real on-road ability, but genuine street credibility.

*Actual car specifications may vary from model shown.*

# CONFIDENCE TO GO FURTHER

## Helps the driver to maintain safe and comfortable driving

Even when a risk has not appeared, Nissan technologies make it easier for the driver to maintain safe driving conditions. Some of these innovations reduce the driver’s burden, while others enhance visibility and awareness of the immediate surroundings at night and when parking.

### Halogen Headlamps

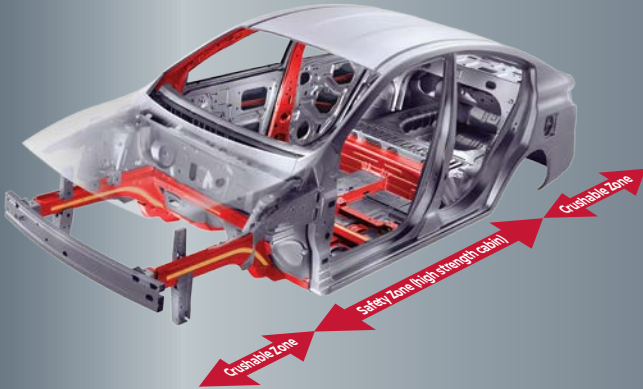

Ensures excellent visibility for safety on the open road.

### Fog Lamps

Fog lamps provide extra illumination in haze, fog and other low-visibility conditions.

### Vehicle Speed Sensitive Intermittent Wiper

Operation varies depending on the vehicle speed when it is on intermittent mode.

### Zone Body Construction

The body is divided into 2 zones: a safety zone and crushable zone that safely absorb the impact energy of a crash. The doors are also fitted with guard bars to protect from side impact, keeping all occupants secure during a frontal and side crash.

## NISSAN PRODUCT QUALITY POLICY

To provide each of our customers with a consistently high level of quality, we apply the same high quality standards worldwide – ensuring that all Nissan owners enjoy peace of mind for the lives of the vehicles.

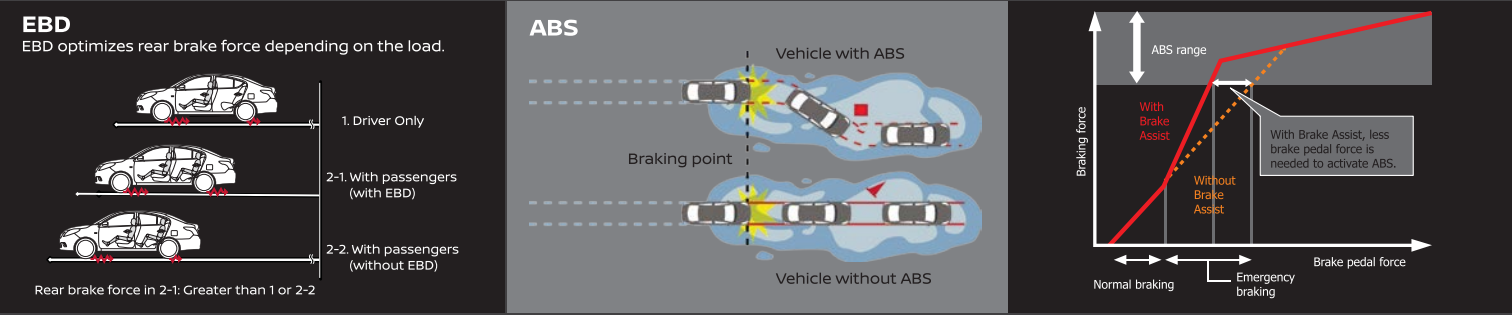

## SAFETY SHIELD

Nissan’s concept of “the vehicle that helps protect people”.

In the area of safety technology, Nissan pursues innovation as part of its “Safety Shield” concept, an advanced, proactive approach to safety issues based on the idea that cars should help protect people. This approach provides various measures to help the driver and passengers better avoid dangers in ways that are optimised to a wide range of circumstances that the vehicle may be in, from “risk has not yet appeared” to “post-crash”.

## Helps the driver to recover from dangerous conditions to safe driving

Warnings and automatic countermeasures help avoid or minimize risks.

### Electronic Brake-force Distribution (EBD)

Helps reduce braking distances when vehicle is fully loaded with passengers.

### Anti-lock Braking System (ABS)

Wheel lock is prevented during hard braking by electronically managing the brake force pressure of each wheel.

### Brake Assist System (BA)

Optimises braking performance by producing additional stopping power and activating ABS earlier.

## Helps minimise the damage when a collision is unavoidable

In cases where a crash cannot be avoided, additional Nissan technology helps reduce injuries and damages by activating the brakes, restraining passengers and applying other measures.

### Dual SRS Airbags System

SRS airbags deploy automatically in the event of a severe frontal impact to minimize the risk of injury to the front passenger and driver.

### Child Seat Retainer (ISOFIX)

The rear seats are also equipped with a set of top and lower anchors that ensures rigid support and hold for child seats.

### Rear Centre 3-point Seatbelt

All rear seats are equipped with 3-point seatbelts, including the centre seat. This ensures better protection for all passengers.

## ENVIRONMENT

### Seeking a symbiosis of people, vehicles and nature

Nissan’s environmental philosophy can be described as “a symbiosis of people, vehicles and nature.” It is our ideal for a sustainable mobile society now and our goal for the future. We established the Nissan Green Program with specific objectives to realise the goal, and we are diligently making concerted efforts to reduce environmental impact at every stage of the vehicle life cycle and our corporate activities.

VEHICLE SPECIFICATIONS

Model		ALMERA	
Variants		1.5L E	1.5L VL
Transmission		5MT	4AT
Engine (code)		1.5L (HR15DE)
